Dear Mr. Gough,

In reply to your letter of the 29th January,

I write to tell you that the age limit for entering for the Schoolboy's Championships is 18 years on the 1st January of the year of the Competition.

As far as I know the fact that you are no longer a schoolboy, but a University student, and that you won the Competition last year does not affect your eligibility to enter this year.

The Competition is being run this year by the Federation (on the week-end after next, 18th and 19th) and I will tell them that you have made this enquiry, and ask them to let you know if you

are not eligible to enter.

With all good wishes,

Yours sincerely,

Blanche Wecker
