NATIONAL STADIUM

IRELAND

27th July, 1968

Dear Mr. Gough,

I have received your request of 25th instant, requesting a private nomination for yourself to compete in FENCING in the Mexico Games.

I regret it is not possible to grant your request. The Olympic Regulations require us to act with the National Body controlling each sport; so your application must come through your Fencing Federation and your grievance must be pursued with your controlling Body. Incidentally there is no such group as the "Irish Olympic Fencing Council" which you mentioned.

Yours sincerely,

Honorary Secretary

Mr. L. Gough,
46 Upper Mount Street,
Dublin 2.
